Pre-K Newsletter
November 2021**

Dear Parents,

November is here! At this time we stop applying sunblock and ask that you start sending coats as our mornings and evenings are getting chilly. The children are noticing the changes in weather, trees and that it's getting dark earlier.

Picture day will be on the 18th & 19th of November. You will find information in your child's art file in the near future that explains how to sign-up and order online **before** the day of pictures.
